

AKHILA P

Python Developer

Profile

I am keen ,loyal,trustworthy who can work alone or as per team,I am a bright and receptive person able to communicate well with people at all level.I am flexible with my approach on work

Work experience

03/2024

↑
09/2023

Software Engineer Trainee

AbsiltDigital,kochi,kerala

- In my current role at Absilt Technologies, where I contribute to the research wing, my experience has been both stimulating and rewarding. The first month involved a comprehensive refresh of my Python and Django skills, and in the ongoing second month, I am actively involved in the creation of software projects. This hands-on experience underscores my adaptability and commitment to contributing to innovative endeavors within the company.

07/2023

python developer intern

VassSystem, Calicut,kerala

- During my 2-month internship at Vass Systems, a product-based company, I received comprehensive training in Django, and gained proficiency in HTML, CSS, and basics of JavaScript. This experience also afforded me the opportunity to familiarize myself with their product, 'Reliva,' further enriching my skill set.

Personal Profile

DOB:

02 FEBRUARY 2002

Gender:

FEMALE

PERSONAL SKILLS:

Good listener, ability to cope with different situation,
dedication is my strength

Skills

- Programming Languages Python, MySQL
- Frameworks Django, Tensorflow
- Operating Systems Windows, Linux
- Version control system GitHub
- Problem Solving
- Tools Python, Pycharm, Jupyter Notebook, Google Colab, Mysql, Power BI, Visual Studio
- Packages: Numpy, Pandas, Tkinter, Matplotlib, Seaborn, Scikit-Learn, Tensorflow, NLTK, OpenCV, Keras
- Problem Solving
- Machine Learning Algorithm: Linear Regression, Logistic Regression, K Nearest Neighbors, Support Vector Machine, Naive Bayes, Decision Tree, Random Forest, XGBOOST
- Deep Learning Algorithm: ANN, CNN, RNN, Image Segmentation, Object Detection, Image Segmentation, Autoencoders
- Natural Language Processing: Word Embedding, Tf-idf, Bag-of-words, Sentiment analysis, Words Cloud, Tokenization

Languages

English

Fluent

hindi

Intermediate
